Jefferson /Lewis County Impaired Driver Program Information Sheet

Welcome to the Jefferson/Lewis County Impaired Driver Program (IDP). Please read the information on this page carefully as it will explain many of the questions you may have regarding this program, formerly referred to as the Drinking Driver Program. If you still have questions after reading all the information provided, contact Pivot at 315-788-4660.

Impaired Driver Program classes begin on the date given to you by the Department of Motor Vehicles at the time of your enrollment. Classes meet for seven consecutive weeks on the same night and time of your first class. If you are uncertain of your start date, it should be written on the bottom of your conditional license attachment which lists where and when you may drive. If you are still in question, call us at 315-788-4660. Please plan to arrive the first night at 6:20 PM to complete registration. Class will begin promptly at 6:30 PM.

You will need to bring a check or money order with you the first night for the full class tuition of \$234.00. If you are unable to pay by the first class, please note that we cannot accept cash as a payment, and you will face an additional fee of \$15.00 if your checks are returned for insufficient funds or any other reason.

Attendance at all seven classes is necessary to complete the program, but we recognize that students often have work commitments or serious personal matters which may interfere with certain classes. Missed classes must be made up at a later date before completion of the program is possible.

Maps to the class site are included in this document. Class is held in the first floor conference room of The Marcy Building, 167 Polk Street, Watertown, NY. Parking is available either off Polk Street, behind the Marcy Building, or across from the front of the building on State Street. If you have questions regarding directions, please call 315-788-4660 during regular business hours for assistance.
